

ZOOIL AIR

ADJUVANT FOR INFLAMMATORY CONDITIONS

LIQUID COMPLEMENTARY FEED FOR ALL SPECIES

Contains: herbal extracts such as: Plantago, Spirea U., Salix A., Althea O., Gentiana L., Rosa C., Medicago S., Devil's Claw, and Carnitine.

DESCRIPTION

The product provides:
effective antipyretic, anti-inflammatory, and anti-fatigue activity.

- Support during heat stress.
- Reduction of respiratory problems.
- Reduction of vaccination stress.
- Reduction of flu-like states.
- Pain-relieving action.

ACTION

Usage:

Administer Zooil Air in case of influenza syndrome.

Mechanism: it's active ingredients counteract the activity of pro-inflammatory substances, alleviating the main symptoms.

Recovery: the product also exerts a marked muscle-relaxing/anti-fatigue activity, allowing animals under stress to move, feed, and rest at their best.

DOSAGE

Administration:

to be administered in drinking water at a rate of 5 ml per 100 kg of body weight for 5–7 days.

Notes: Dosages may vary depending on the health status of the farm.

The technical service is available to advise on the appropriate dosage.

Packaging and Storage

Format: Available in 10 kg tanks.

Storage: Store in a cool, dry place, away from heat sources.

Shelf Life: Use within 24 months from the date of production.

Certification: FAMI-QS Certified.
